BLOCKBUSTERS QUIZ BOOK 1

based on the Central Independent Television series

SPHERE

BLOCKBUSTERS QUIZ BOOK 1

This book adaptation of *Blockbusters*, the very successful Central television series game, can be used in one of two ways. By yourself you can solve the clues as you would a crossword puzzle, writing the answers in the spaces provided and shading or colouring in the hexagons; or, you can play it as a game with friends, one being the quizmaster and two being competitors, one trying to get a linking pattern of hexagons across and one down.

Whether you solve the clues yourself, or with friends, you'll have hours of amusement and have masses of information at your fingertips.

Blockbusters Quiz Book 1

Based on the Central Independent Television series produced in association with Mark Goodson and Talbot Television Ltd
